ADDITIONAL NARRATIVE

<small>AGENCY NAME</small> LAKE STEVENS POLICE DEPARTMENT	<small>INCIDENT CLASSIFICATION</small> Collision/DUI	<small>INCIDENT NUMBER</small> 14-01063
<small>NAME OF VICTIM(S)</small>		

Summary:

A female driver lost control of her vehicle and collided with a tree. The vehicle sustained significant damage to the front end and the female driver appeared to have been drinking at the time of the collision. The female refused aid, and to cooperate with the investigation and a warrant for a blood draw was conducted and approved. The female left the hospital without being discharged and could not be located. Charges of DUI referred to the prosecutor for review.

Narrative:

On 05-02-14 at 2128 hours I was dispatched to a priority collision for a vehicle into a tree at 227 83rd Dr SE in the city of Lake Stevens. While enroute information was passed by a passerby the female flashed the reporting party as they drove by. I arrived at the scene at 2134 hours behind aid and immediately saw several people standing around a red station wagon that was facing northbound on 83rd Dr SE that had significant damage to the front. The vehicle had impacted a tree at 227 83rd Dr SE. The windshield was completely removed from the vehicle lying on the grass. The vehicle license attached was ALB1040, a 1993 Ford Escape.

As I walked up, a female later identified as Olga P. Ivanova 04-05-92, approached me and I asked her if she was driving? The Ivanova nodded her head and told me "I was driving". When she did this, I could smell a strong odor of intoxicants on her breath and I was standing about 2-3 feet from her. I looked into her eyes with the light of my flashlight and could see her eyes appeared to be a bit bloodshot and glossy in appearance. I asked Ivanova is she had been drinking this evening and she told me yes. I asked her if she was the only one in the vehicle and she told me it was just her. I then asked for her driver's license and she handed it to me identifying her as Olga C. Ivanova 04-05-92.

I looked into the vehicle and saw that there was a can of Angry Orchard Apple Crisp on the driver's side floorboard and a bottle of Prosecco Zonin wine on the front passenger seat. I looked into the rear back compartment and saw several bottles of alcohol, one being Riesling wine and another a clear bottle with a brown liquid that may have had a cork. These were in the far back storage compartment. On the rear floorboard behind the driver's seat was the top or screw lid to the Prosecco wine bottle.

I went back to Ivanova and asked her what happened this evening? Ivanova told me "I was in an accident". I then asked her how it happened. Ivanova told me "I was steering to fast". I repeated what she said to me and she again stated "I was steering too fast ". I next asked Ivanova where she was going this evening and she told me Mukilteo. I asked Ivanova where she had just come from and she told me Lake Stevens. I then asked her which way Mukilteo was and she told me she did not know, I asked her why she was in Lake Stevens and she told me she was visiting a friend. As I spoke to Ivanova I continued

to smell the odor of intoxicants coming from her breath as she spoke. She also spoke quietly and mumbled her words when she spoke. She at times would smile and then look down at the ground.

I let aid tend to Ivanova and took photographs of the collision scene. Aid later informed me Ivanova was HBD and refusing everything. Aid escorted Ivanova to an aid car and I got witness statements to the witness at 227 83rd Ave SE. This witness identified as Shane May told me he was in his residence and heard a crash. The female was walking from the driver's side of the vehicle stumbling towards the curb. May asked the female if she needed medical attention and she told him no. The driver (Ivanova) kept telling him "don't call the cops". May told me he saw that vehicles coming around the corner almost collided with the vehicle, so he asked Ivanova for her keys so he could move it. Ivanova got up off the curb and stumbled as she did so and they had her sit back down. Ivanova handed May the keys and he tried to move the vehicle but it would not start. May told me the vehicle was in drive. May got back out of the vehicle and dropped the keys in Ivanova's purse.

I had dispatch ask for WSP to come to the scene which they did but declined to investigate due to possible injuries once we went into the aid car. When we went inside the aid car Ivanova was on the gurney with a neck brace on. Aid advised she was complaining of mid back pain and she would have to be transported. I then asked for Lake Stevens Police Officer Hingtgen to take over the investigation pending a blood draw at the hospital.

Sky Valley Towing arrived at 2245 hours and impounded the vehicle. I cleared the scene at 2259 hours. A warrant for blood was approved by Commissioner Howard but Ivanova left the hospital without being discharged. See Officer Hingtgen's report.

FOLLOW-UP REPORT

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION One Vehicle Collision/DUI	INCIDENT NUMBER 14-01063
NAME OF VICTIM(S) N/A		

On 5/2/14 at approximately 2204 hrs., I was requested to assist with a suspected DUI involved collision at 227 83rd Dr SE. Sgt. Summers had been onscene the accident and was requesting a second unit.

I arrived onscene at approximately 2209 hrs. As I came into the area, I noticed an aid car traveling south, which is consistent with traveling towards the hospital. I contacted Sgt. Summers and he informed me that the driver of the collision had just been transported to Providence Medical Center to receive further treatment due to back pain caused by the accident. Sgt. Summers informed me that he believed that the driver, later identified as Ivanova, Olga P (4/5/92) was under the influence of intoxicants. Sgt. Summers explained that he could smell the strong odor of intoxicants emitting from her breath and/or person. He also stated that her eyes appeared to be red and watery.

With this information, I traveled to Providence Medical Center to complete a Blood Draw search warrant to complete a possible DUI investigation. I arrived at the hospital at approximately 2224 hrs. I began my initial forms for the search warrant. At approximately 2242 hrs., I went to Olga's room. I knocked on the door and Olga opened her eyes partially and then quickly closed them as though she was sleeping. I walked into the room and kept saying her name and she was unable or unwilling to open her eyes. I could smell the moderate odor of intoxicants emitting from Olga's breath and/or person while standing near her hospital bed. At that time, Olga and I were the only individuals in the room.

I exited the room for hospital staff to continue treatment on her and to complete the necessary documents for a search warrant application. While I was completing the forms, several members of Olga's family had arrived to check on her well being.

At approximately 2330 hrs., I faxed a completed search warrant to Commissioner Howard, Cascade District Court. At approximately 2337 hrs., I began receiving a fax from Commissioner Howard with a signed warrant to retrieve blood evidence from Olga for the purpose of suspected DUI. I retrieved all of the pages of the Search Warrant #AEH1314 at approximately 2350 hrs. I then requested the hospital staff to contact a Blood Draw Technician to fulfill the warrant. After the request was made, I went to Olga's room and checked on her. Olga was conscious and talking with her family. I returned to a workstation, approximately 20 feet from the room.

On 5/3/14 at approximately 0005 hrs., a male hospital employee came by the work station and stated that the female and family from Olga's room was gone. The male employee stated that he was upset because he believed security was with that female. I checked the room and all of the surrounding areas for Olga or any of her family members. They were not located.

Blood Draw Warrant #AEH1314 was not fulfilled due to Olga fleeing from a controlled facility. No attempt was made to contact Olga after her flight due to the possibility of her consuming alcohol after the fact and tainting evidence of the previous driving incident.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

I, SHANE MAY, DID NOT GRANT, NOR TO MY KNOWLEDGE DID ANYONE ELSE OF PROPER AUTHORITY, GRANT ANYONE PERMISSION TO ENTER MY: (CIRCLE ONE) RESIDENCE, PROPERTY, AND/OR SUCH ASSET(S) UNDER MY CONTROL; NOR WAS PERMISSION GRANTED TO SUCH PERSON(S) TO TAKE ANY ITEMS(S) FROM, NOR COMMIT ANY ACT(S) THEREIN. I WILL PROSECUTE FOR SUCH ACTIONS COMMITTED.

I CAME OUT OF MY HOUSE AND SAW A GIRL STUMBLE TO THE CURB DIGGING THROUGH HER PURSE AND A CAR HIT MY TREE. I ASKED HER IF SHE WAS OK OR NEEDED MEDICAL ATTENTION. SHE SAID NO SO I ASKED HER WHAT HER NAME WAS. SHE DIDN'T RESPOND. SHE WAS LOOKING FOR HER PHONE. I LOOKED IN HER CAR FOR HER PHONE AND DIDN'T FIND IT. MY FRIEND AND I MOVED HER WINDSHIELD OUT OF THE ROAD ONTO THE LAWN BY THE SIDEWALK AND SHE STUMBLED AS SHE GOT UP AND WE SAT HER BACK DOWN. MY FRIEND AND I NOTICED HER SLURRING HER WORDS. TWO CARS ALMOST HIT HER CAR SO WE TRIED MOVING IT TO THE SIDE OF THE ROAD. IT WASN'T GOING ANYWHERE. THEN THE FIREMEN AND POLICE SHOWED UP.

is concealed in, about or upon the person of Ivanova, Olga P (4/5/92), who is currently located within the County of Snohomish, my belief being based upon information acquired through personal interviews with witnesses and other law enforcement officers, review of reports and personal observations, said information being as further described herein--

My training and experience regarding investigations of the above- crime(s) is as follows:
I have been commissioned by the Chief of Police by the city of Lake Stevens to enforce Criminal Law as a law enforcement officer. I have been working as a law enforcement officer in excess of 6 years. I have been involved in approximately 200 DUI incidents. I have been trained and certified to use a BAC machine. I have also been trained and certified to administer the SFST's (Standardized Field Sobriety Tests). These tests include the Horizontal Gaze Nystagmus, Walk and Turn, and One Leg Stand.

The facts supporting the initial contact with Ivanova, Olga P are as follows:
On 5/2/14 at approximately 2128 hrs., Lake Stevens Sgt. Summers was dispatched to a priority collision in the area of 227 83rd Ave SE. Sgt. Summers arrived as Olga was being treated by an aid unit. Sgt. Summers stated that when he approached Olga while she was being treated, he could smell the strong odor of intoxicants emitting from her breath and/or person. Sgt. Summers said that he could see her eyes were very red and watery. Sgt. Summers asked Olga who was driving the vehicle. Olga replied that she was. Olga also stated that she was the only occupant in the vehicle. Sgt. Summers as Olga what had happened. Olga stated words to effect of, "It was an accident. I was steering too fast." Olga said that she was going to Mukilteo from Lake Stevens. FD 8 deemed it necessary to transport Olga to Providence Medical Center due to complaints of back pain.

A witness to the collision, May, Shane R (5/29/82) stated that he heard the something crash. Shane said that he came outside and found a vehicle had struck a tree in front of his home. Shane

LSPD
ORIGINAL

said he saw a female, later identified as Olga, walking away from the drivers door and to a nearby curb. Shane said walked up to Olga and asked her if she needed help. Shane said that Olga replied that he did not. Olga kept asking Shane not to call the police. Shane said that he asked Olga for her vehicle keys so he could move her vehicle out of the roadway to avoid and further collision. Shane said that Olga provided him the keys to the vehicle. Shane said that he got in the car and placed the ignition key into the vehicle. Shane said that he was unable to move the vehicle due to a malfunction.

The vehicle was later impounded by Sky Valley Towing. Sgt. Summers stated that while a vehicle inventory was conducted, he located a large bottle of champagne on the passenger side seat and also an empty bottle of "Angry Orchard" alcoholic beverage on the floorboard.

The facts supporting my belief that Ivanova, Olga P is under the influence of intoxicants and/or drugs are as follows:

I arrived onscene at Providence Medical Center at approximately 2224 hrs. I contacted Olga in her room at approximately 2242 hrs. I knocked on the door and Olga opened her eyes partially and then quickly closed them. I kept saying her name and she was unable to wake up. I could smell the moderate odor of intoxicants emitting from Olga's breath and/or person while standing near her hospital bed. At that time, Olga and I were the only individuals in the room.

The defendant, Ivanova, Olga P:

- ☐ declined to take a breath alcohol test on an instrument approved by the State Toxicologist.
- ☐ is at a location that lacks an instrument approved by the State Toxicologist for performing breath testing and the defendant has refused to submit to a blood test.
- ☒ was not offered an opportunity to take a breath alcohol test on an instrument approved by the State Toxicologist because:
 - ☐ the available instrument is currently out of order.
 - ☐ the defendant does not speak English and the implied consent warnings are not available in a language that the defendant understands.

LSPD
ORIGINAL

May. 2. 2014 11:36PM

No. 6796 P. 5/8

- ☐ a low alcohol concentration reading on a portable breath test device makes it probable that any impairment is the result of a substance or drug other than alcohol.
- ☒ the defendant was in need of medical treatment and transported to a medical facility. The defendant was unconscious at the time of initial contact.
- ☐ submitted to a breath test on an instrument approved by the State Toxicologist but the breath alcohol concentration reading of _____ is not consistent with the defendant's level of impairment suggesting that the defendant is also under the influence of a drug.

A sample of Ivanova, Olga P's blood, if extracted within a reasonable period of time after he/she last operated, or was in physical control of, a motor vehicle, may be tested to determine his/her current blood alcohol level and to detect the presence of any drugs that may have impaired his/her ability to drive. This search warrant is being requested 0 minutes 2 hours after Ivanova, Olga P ceased driving/was found in physical control of a motor vehicle.

The Legislature has specifically authorized the use of search warrants for blood in cases in which the implied consent statute applies. See RCW 46.20.308(1) ("Neither consent nor this section precludes a police officer from obtaining a search warrant for a person's breath or blood."). The Legislature has also specified specific classes of people as being qualified to withdraw blood for alcohol testing. See RCW 46.61.506(5).

Therefore, I request authority to cause a sample of blood, consisting of one or more tubes, to be extracted from the person of Ivanova, Olga P by a physician, a registered nurse, a license practical nurse, a nursing assistant as defined in chapter 18.88A RCW, a physician assistant as defined in chapter 18.73 RCW, a health care assistant as defined in chapter 18.135 RCW, or any technician trained in withdrawing blood.

is concealed in, about or upon the person of Ivanova, Olga P (4/5/92), who is currently located within the County of Snohomish, my belief being based upon information acquired through personal interviews with witnesses and other law enforcement officers, review of reports and personal observations, said information being as further described herein--

My training and experience regarding investigations of the above- crime(s) is as follows:
I have been commissioned by the Chief of Police by the city of Lake Stevens to enforce Criminal Law as a law enforcement officer. I have been working as a law enforcement officer in excess of 6 years. I have been involved in approximately 200 DUI incidents. I have been trained and certified to use a BAC machine. I have also been trained and certified to administer the SFST's (Standardized Field Sobriety Tests). These tests include the Horizontal Gaze Nystagmus, Walk and Turn, and One Leg Stand.

The facts supporting the initial contact with Ivanova, Olga P are as follows:
On 5/2/14 at approximately 2128 hrs., Lake Stevens Sgt. Summers was dispatched to a priority collision in the area of 227 83rd Ave SE. Sgt. Summers arrived as Olga was being treated by an aid unit. Sgt. Summers stated that when whe approached Olga while she was being treated, he could smell the strong odor of intoxicants emitting from her breath and/or person. Sgt. Summers said that he could see her eyes were very red and watery. Sgt. Summers asked Olga who was driving the vehicle. Olga replied that she was. Olga also stated that she was the only occupant in the vehicle. Sgt. Summers as Olga what had happened. Olga stated words to effect of, "It was an accident. I was steering too fast." Olga said that she was going to Mukilteo from Lake Stevens. FD 8 deemed it necessary to transport Olga to Providence Medical Center due to complaints of back pain.

A witness to the collision, May, Shane R (5/29/82) stated that he heard the something crash. Shane said that he came outside and found a vehicle had struck a tree infront of his home. Shane

said he saw a female, later identified as Olga, walking away from the drivers door and to a nearby curb. Shane said walked up to Olga and asked her if she needed help. Shane said that Olga replied that he did not. Olga kept asking Shane not to call the police. Shane said that he asked Olga for her vehicle keys so he could move her vehicle out of the roadway to avoid and further collision. Shane said that Olga provided him the keys to the vehicle. Shane said that he got in the car and placed the ignition key into the vehicle. Shane said that he was unable to move the vehicle due to a malfunction.

The vehicle was later impounded by Sky Valley Towing. Sgt. Summers stated that while a vehicle inventory was conducted, he located a large bottle of champagne on the passenger side seat and also an empty bottle of "Angry Orchard" alcoholic beverage on the floorboard.

The facts supporting my belief that Ivanova, Olga P is under the influence of intoxicants and/or drugs are as follows:

I arrived onscene at Providence Medical Center at approximately 2224 hrs. I contacted Olga in her room at approximately 2242 hrs. I knocked on the door and Olga opened her eyes partially and then quickly closed them. I kept saying her name and she was unable to wake up. I could smell the moderate odor of intoxicants emitting from Olga's breath and/or person while standing near her hospital bed. At that time, Olga and I were the only individuals in the room.

The defendant, Ivanova, Olga P:

- ☐ declined to take a breath alcohol test on an instrument approved by the State Toxicologist.
- ☐ is at a location that lacks an instrument approved by the State Toxicologist for performing breath testing and the defendant has refused to submit to a blood test.
- ☒ was not offered an opportunity to take a breath alcohol test on an instrument approved by the State Toxicologist because:
 - ☐ the available instrument is currently out of order.
 - ☐ the defendant does not speak English and the implied consent warnings are not available in a language that the defendant understands.

- ☐ a low alcohol concentration reading on a portable breath test device makes it probable that any impairment is the result of a substance or drug other than alcohol.
- ☒ the defendant was in need of medical treatment and transported to a medical facility. The defendant was unconscious at the time of initial contact.
- ☐ submitted to a breath test on an instrument approved by the State Toxicologist but the breath alcohol concentration reading of _____ is not consistent with the defendant's level of impairment suggesting that the defendant is also under the influence of a drug.

A sample of Ivanova, Olga P's blood, if extracted within a reasonable period of time after he/she last operated, or was in physical control of, a motor vehicle, may be tested to determine his/her current blood alcohol level and to detect the presence of any drugs that may have impaired his/her ability to drive. This search warrant is being requested 32 minutes 1 hours after Ivanova, Olga P ceased driving/was found in physical control of a motor vehicle.

The Legislature has specifically authorized the use of search warrants for blood in cases in which the implied consent statute applies. *See* RCW 46.20.308(1) ("Neither consent nor this section precludes a police officer from obtaining a search warrant for a person's breath or blood."). The Legislature has also specified specific classes of people as being qualified to withdraw blood for alcohol testing. *See* RCW 46.61.506(5).

Therefore, I request authority to cause a sample of blood, consisting of one or more tubes, to be extracted from the person of Ivanova, Olga P by a physician, a registered nurse, a license practical nurse, a nursing assistant as defined in chapter 18.88A RCW, a physician assistant as defined in chapter 18.73 RCW, a health care assistant as defined in chapter 18.135 RCW, or any technician trained in withdrawing blood.
